Dear Ms. Westervelt,

The Triangle Area Rural Planning Organization (TARPO) has received your request for a letter of support for funding from the North Carolina Department of Transportation and the Enhanced Mobility of Seniors and Individuals with Disabilities Program through the FTA Section 5310 funding process. We have reviewed the request and support your organization's application.

The Triangle Area Rural Planning Organization understands the need for transportation services for seniors and individuals with disabilities. We recognize the important role that safe, effective transportation plays as seniors and people with disabilities access services throughout the community.

We look forward to seeing the positive impact of these transportation services for citizens of our region.

Sincerely,

Matthew M. Day, AICP CTP
Secretary, Triangle Area Rural Planning Organization
